RE: April Quarterly Report (1/1/02-3/31/02)

Dear Ms. Sugarman:

This letter is in response to your letter of May 11, 2002, regarding contributions received by the Bass Victory Committee that appear to be excessive. The attachment references contributions received from Edward Kratovil, PMA PAC, and the EBAY Committee for Responsible Internet Commerce.

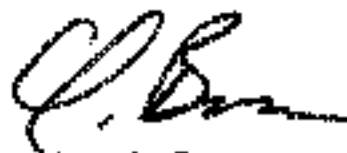

As reflected on the April Report, the Committee requested a redesignation of the contribution in question from Mr. Kratovil on March 21, 2002. The Committee received a notice redesignating the contribution to the general election on April 15, 2002. A copy of the notice is attached for your review, and the redesignation is noted on the Committee's current July Quarterly Report.

The Committee incorrectly reported the March 11, 2002, PMA PAC contribution and the March 22, 2002, EBAY Committee contribution on the April Report. Both of these contributions were for the general election. A copy of the two contributions is attached for your review. The Committee has filed an amended report to correct these errors.

A review of all contributions received in the current cycle identified one other contribution that was incorrectly reported. The October 31, 2001, contribution from the NRA Political Victory Fund was designated for the general election, not to the primary election as reported. The Committee has filed an amended report to correct this error.

Thank you for your attention to this matter. Please do not hesitate to contact me if you require additional information.

Sincerely,

Alexander Bass
Treasurer
